## They All Failed.

The following letter from Mr. W. A. Thomson, of Columbus, Wis., is peculiarly interesting: "My wife," says he, "has been treated for her head, stomach and nervous prostration by three doctors in New York, two in Chicago, one in Philadelphia, one in Cincinnati, and at the large institute in Buffalo for 16 months. They all failed. But one bottle of Dr. Miles' Restorative Nerve helped her wonderfully." This should be used in all hemicachexias, backaches, changes of life, nervous disturbances, fits, rheumatism, etc. Ask at J. W. Gayle's drug store for a trial bottle and Dr. Miles' new book on the Nerves and Heart.

## Methodist Paper in Louisville.

The Kentucky Methodist is the name of the paper recently removed from Lexington, Ky., to Louisville. It is an eight-page paper, with five broad columns, in good type, and with excellent print, and is published at the low price of \$1.00 per year. Address, The Kentucky Methodist, Louisville, Ky., for a sample copy. An agent is wanted for this county, to whom a liberal commission will be paid.

As almost every denomination, except the Methodist, have a strong paper in the state metropolis, it would seem that the Methodist would want one. If so, they could give this paper a hearty support, as it is, or will be, the best they can ever hope to have.

My mind and eyesight have improved wonderfully. I advise all persons thus afflicted to use this great remedy." J. W. Gayle, druggist, recommends and guarantees it. ## Multum in Parvo.

Because a thing is small in size, Think not 'twill pay to scorn it; Some insects have a larger waist, But lift less than the hornet.

Some people may perhaps scorn, on account of their diminutiveness, Dr. Pierce's Pleasant Pellets. But a trial of them convinces the most scornful skeptic, that they will cure, constipation, dyspepsia, sick and bilious headache, quicker and surer than their large waisted competitors, the old-style pill.

## Changes of Climate.

Mill more people than is generally known. Particularly in this case in instances where the constitution is delicate, and among the immigrant population seeking new homes in those portions of the West, and where natural and typhoid fevers prevail at certain seasons of the year. The best preparative for a change of climate, or of diet and water when that change necessitates, is Hostetter's Stomach Bitters, which not only fortifies the system against malaria, a variable temperature, damp, and the debilitating effects of tropical heat, but is also the leading remedy for constipation, dyspepsia, liver complaint, bilious troubles, and all the ailments incident to the change of climate. It is a safe and reliable remedy for sea voyagers, travelers by land, miners, and agriculturists. A new and improved formula, this fine specific has enabled the most favorable testimony.

This explains why more than a Million Bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. A building up of the entire system follows the use of Dr. Pierce's Favorite Prescription. It's an invigorating, restorative tonic, soothing cordial and bracing nerve—and a certain remedy for all the functional disorders, chronic weaknesses peculiar to women. It improves digestion, enlarges the blood, dispels aches and pains, melancholy and nervousness, brings refreshing sleep, and restores flesh and strength. For periodical pains, internal inflammation and ulceration, leucorrhea and kindred ailments, it is a positive specific—a guaranteed one. If it fails to give satisfaction, in any case, the money paid for it is refunded. No other medicine for women is sold on these terms. With an ordinary medicine, it can't be done.

That's the way its makers prove their faith in it. Contains no alcohol to inebriate; no syrup or sugar to derange digestion; a legitimate medicine, not a beverage. Purely vegetable and perfectly harmless in any condition of the system.

## FRANKFORT ROUNDABOUT.

Noted at the post-office at Frankfort, Kentucky as second-class available matter.

GEO. A. LEWIS, Editor and Publisher.

FRANKFORT, JULY 4, 1931.

### Teachers Elected.

At the meeting of the Board of School Trustees, held on Tuesday evening the following teachers for the white school were elected:

Miss Adelaide Schroeder,  
Miss Julia B. Todd,  
Miss Sarah Bell,  
Miss Minnie Bell,  
Miss Louise A. Ward,  
Miss Sallie T. Bailey,  
Miss Anna Sullivan,  
Miss Lena Lynch,  
Miss Sue Joyce,  
Miss Margaret A. Lewis,  
Miss Scottie Chinn,  
Miss Ella Stephens,  
Miss Rachel Cromie,  
Miss Mollie McEwan,  
Miss Mary Browder,  
Miss Maggie Page.

Misses Browder and Page are the only new teachers elected, the others have been teaching in the school heretofore.

A Kindergarten class has been added to the primary course and will be in charge of Miss Maggie Page, but children under six years of age will not be allowed to attend it.

Misses Lou B. Cromwell, May B. Vannatter and Addie Hawkins were selected as supply teachers.

Mr. Samuel Stone was elected as Engineer for the year but the position of Janitor was left vacant until the school opens in September.

All the old teachers in the colored school were re-elected and Claude Higdon was elected to teach the colored night school for the month.

Jesse Hoeker was re-elected to serve as Janitor by the month.

### Family Poisoned.

Just after breakfast Tuesday morning Mr. J. B. Hamilton and wife, their son-in-law, Mr. F. W. Samples and Mr. Eugene Wolf, who board with them, were taken violently ill, and a physician was immediately summoned, who, as the symptoms indicated that they had been poisoned, promptly administered antidotes. Messrs. Hamilton and Wolf were able to be out the next day but Mrs. Hamilton and Mr. Samples are still suffering from the effects of the poison, whatever it was.

The four who were taken sick ate beefsteak for breakfast but the other two members of the family, Mrs. Samples and her brother, Mr. Sidney Hamilton, did not partake of it, and the supposition is that the meat caused the trouble. The steak was purchased from Mr. Dan. Glanton, who says he sold cuts from the same piece to numerous other customers, who ate of it and suffered no inconvenience.

As no chemical analysis was made of the steak, the cause of the trouble is a mystery.

### Committee Meeting.

The State Executive Committee of the People's Party held a meeting in this city on Wednesday to make arrangements for an aggressive campaign, at which Hon. H. E. Taubeneck, of Illinois, chairman of the National Executive Committee, was present. He is a member of the Illinois Legislature and during the Senatorial dead lock in that body last winter persistently refused to cast his vote for Gen. John M. Palmer and voted alone on the last ballot for Streeter, the labor candidate.

### Brought Back.

Henry Meker, a convict who escaped from the Penitentiary about a year ago, was arrested in Louisville recently as a suspected felon and while serving a sentence in jail was discovered to be an escaped convict. He was returned to the pen on Tuesday.

### Real Estate Transfers.

Mr. Louis Weitzel has sold the south half of his residence, on Madison street, to his son, Mr. Chas. Weitzel, for \$3,500, and a lot 33 by 125 feet lying between the residence and the property of Mr. Sullivan, on the north, to his daughter, Mrs. Ed. L. Meagher, for \$1,000. Mr. Chas.

Weitzel will build an addition to his part of the house in the shape of a hall, stairway, etc., and Mrs. Meagher will shortly begin the erection of a neat residence upon the lot.

### Won a Race.

The second race on Monday, at Washington Park, Chicago, was won by Col. L. P. Tarlton's two-year-old filly, Dearest, beating a field of seven. Time 1:07 1/2. The race was for a purse of \$600.

### Revenue Collections.

The amount of internal revenue collected in this city by Deputy Collector L. P. Tarlton during the month of June was \$75,342.48. The collections for the year ending June 30th, amounted to \$528,682.50.

### A Nice Day for It.

Wednesday was the coolest and most pleasant first of July we have had here in years, and was greatly enjoyed by the collectors, of whom an army were upon our streets, each trying to be the first to get in their little bills.

### Tries to Explain.

A suspicious looking object was found in the grip-sack of Col. W. S. Dehoney, upon his return from Paris, where he went Saturday afternoon to assist in the organization of a new Commandery of Knights Templar, and he has been trying ever since to give a satisfactory explanation of how it got there.

### Paralyzed.

We learn from the Paris Kentuckian-Citizen that Mr. Robert McMillan, formerly of this county but for the past six months a resident of Paris, was stricken with paralysis while working in his garden in that city on Tuesday. Mr. McMillan is 84 years of age and his recovery is doubtful.

LATER—Mr. McMillan died Wednesday morning.

### I. O. O. F. Election.

Capital Lodge, No. 6, Independent Order of Odd Fellows, elected the following officers on Monday night, for the ensuing six months: James Taylor, Noble Grand. Thomas Hunter, Vice Grand. C. A. Nelson, Secretary. Geo. W. Reock, Treasurer. W. W. McEnnis, Host. They will be installed on Monday evening next.

### Attention, Police.

The attention of the officers of the law is called to the fact that a gang of boys, both white and black, make a practice of going in bathing in a broad day light in the pond at the corner of Murray and Campbell streets. They make no pretense at wearing bathing suits, but are perfectly nude and their vile language and indecent exposure of their persons has become unbearable to the residents in that neighborhood, and they should be looked after at once.

### The New Directory.

Mr. J. B. Dryden is making fine progress with the work on his new directory of the city of Frankfort. The merchants, as far as Mr. Dryden has been able to canvass up to this time, have responded very liberally. He will, during the next week, be able to visit our business men, and we hope everything will be done by all of our people to encourage him in this much needed work. He proposes to make the new book complete in every detail, as a reference book. It is his intention to have the book ready for delivery by September 1st.

### Case Argued.

The trademark case of Labrot & Graham vs. Jas. E. Pepper, involving the right to use the name and title of "Old Pepper Whisky" for the product of their distillery on Glens Creek, was before Judge Barr of the United States Court, in Louisville, on Tuesday. Labrot & Graham obtained an injunction some time ago restraining Pepper from so using the brand and they now claim he has disobeyed the injunction and are seeking to have him punished for so doing. The case was argued by Judge Wm. Lindsay for Messrs. Labrot & Graham, and Judge Alex. Humphrey and Col. John Allen for Pepper and submitted to Judge Barr for final decision.

### The Tate Cases.

On Wednesday the Circuit Court took up the cases of the Commonwealth vs. The Bondsmen of James W. Tate, late State Treasurer, and the first one to be tried was that against the sureties upon the bond for the term of office from January 1, 1882, to January 1, 1884. According to the decision of the Court of Appeals in reversing the decision on the first trial, the only question in the case was to determine the amount that Tate was short during that term. All of Wednesday was consumed in arranging the pleadings and in selecting the jury, and Thursday morning the trial was begun. The following gentlemen compose the jury: M. D. Averill, Wm. Pryor, John Newman, B. F. Jones, William Seay, Chas. Pearce, W. G. Roberts, Leonidas Rucker, Robert Young, W. S. Penn, John Bodkins and John Watkins.

The Commonwealth is represented by Attorney General Hardin and Judge Thos. H. Hines, while Judge Wm. Lindsay, Judge A. Duvall, D. W. & J. B. Linney, Chas. Phil. B. Thompson, sr., Frank Chinn and John W. Rodman represent the bondsmen.

The trial is still in progress.

### Got Damages.

The case of J. W. Sanderson vs. Mason & Ford Co., lessees of the Kentucky Penitentiary, and Rinehart, Clark & Locker, sub-lessees of convict labor on railroads, was tried in the Circuit Court on Monday, and the jury returned a verdict Tuesday giving the plaintiff \$1,000 damages. Sanderson—a convict who was sent from Graves county for one year—was sent out to work upon the railroad, and while so engaged received injuries from falling from a tunnel which disabled him for life. He sued for \$25,000.

### The Day We Celebrate.

As this is the glorious fourth, there will be an effort made to celebrate it with a street parade and picnic at Lake Park, where a balloon ascension is advertised to take place and the Hudson, Humphries & Cassell Base Ball Club will play a game with the Nicholasville Base Ball team. Beside this the Clay Bank Club will have their usual picnic at Walcutt's spring, near the Big Eddy. A great many people will take advantage of the reduced railroad rates to spend the day in other cities.

### Burglarized.

Burglars are still at work in Georgetown. The residence of Mr. Howard Stedman, formerly of this county, in that city, was entered on Saturday night, he being absent on a business trip for the Bluegrass Cording Company and his family on a visit to his parents at the Forks of Elkhorn; but the burglar was frightened away by a young man by the name of Cleveland and the neighbors before he secured anything of value.

### Nerve.

There is nothing like it. It is the foundation of all action. The man of Nerve is a success. The man without it is a failure. Men and women are overworked, suffering with nervous prostration and longing for something to restore them again to vigor and health. There is one medicine that will accomplish the desired result. Dr. Hale's Household Tea cures nervous prostration, making the weak strong, and gives nature a job by putting all the organs of the system into a healthy condition. It is the finest remedy known. Dr. Hale's Household Tea, the great Blood Purifier and Nerve Tonic, is sold at 25 and 50c at Phil. Carpenter's South Side drug store.

### Newspaper Changes.

On Saturday Mr. John B. Dryden sold his interest in the Evening Journal to his partner, Mr. Moses O'Connor, who will continue the publication of that paper. Mr. Richard Van Derveer will do the editorial work.

Robt. Stout, a young lawyer, has bought the Versailles Clarion from Fred Henry. Mr. Henry will accept a position on the Chicago Herald.

### Successful Driver.

J. H. Goldsmith, who had such great success in the Grand Circuit last year with Pimlico and others, writes, "I have given Quinn's Ointment a thorough trial and I can truthfully say it is the best preparation for removing a Split or Curb that I have ever seen."

Leave your order for Ice Cream, Ices, Cakes, etc., at Kleber's, South Side, 40-1st.

FRANKFORT ROUNDABOUT

FRANKFORT, JULY 4, 1891.

A New Daily.

Squire Pat. McDonald is thinking of publishing his paper, The Argus, as a daily instead of weekly as heretofore.

A Fine Crop.

The wheat crop has about all been harvested and is one of the largest raised in this county for years.

Moved North.

Judge Caswell Bennett and family has removed from the South Side and are now occupying the house of Mr. W. H. Waggener, on Main street.

Mazy Sunk.

The little steamboat Mazy, which was attached by U. S. Marshal Con. McCarty several weeks ago and tied up for debt, sank at Gaines' wharf Sunday night.

As a general liniment for sprains and bruises or for rheumatism, lame back, dead seated or muscular pains, Chamberlain's Pain Expeller is unrivalled. For sale by J. W. Gayle. 43-1m.

Improving.

Capt. Sanford Goin went to Lexington on Tuesday to visit his wife, and his many friends will be glad to know that he found her greatly improved. Dr. Clark thinks she will be able to return home in a few weeks.

Semi-Annual Dividends.

The Deposit and Frankfort National Banks have declared a dividend of three per cent, and the Bank of Kentucky and the Farmers Bank will declare theirs Monday—the former four per cent and the latter three per cent.

Change of Base.

The topographical party of the Geological Survey in charge of Mr. F. H. Bagby, who have been working in Trigg county for several months, have transferred their headquarters to Trenton, in Todd county, in which vicinity they are now engaged.

Hurrah for Spalding!

Mr. C. C. Spalding, who is a candidate to represent Marion county in the next Legislature, has announced as part of his platform, opposition to the removal of the capital from this city. He will be very apt to be elected and Frankfort is for him solid.

Mr. John Carpenter, of Goodland, Ind., says: "I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, for diarrhea and severe cramps, and pains in the stomach and bowels with the best results. In the worst cases I never had to give more than the third dose to effect a cure. In most cases one dose will do. Besides its other good qualities it is pleasant to take." 25 and 50 cent bottles for sale by J. W. Gayle. 43-1m.

Worked at the Case Here.

Mr. Harry B. Morehead, the wealthy broker of Cincinnati, who has recently bought a large interest in the Commercial Gazette, of that city, is a son of ex-Governor James T. Moorehead, of this State, and worked at the printer's trade in the old Commonwealth office, in this city, in 1863-4.

Insurance Paid.

Mr. H. G. Matern, Secretary of Frankfort Council, No. 7, Royal Templars of Temperance, received on Saturday and turned over to Mr. E. K. McClure, as trustee for the widow and guardian of the children of the late James McFarland, a check for one thousand dollars, being the amount of insurance held by Mr. McFarland in the order of Royal Templars.

Weather for July.

Prof. Irl R. Hicks, of St. Louis, who has made close guesses at the weather for the past year, makes the following predictions for this month. Storms in progress at the opening of July will wind up to the east about the 2d. About the 5th and 6th, a low barometer will cause an oppressive, warm wave. The presence of the new moon and with cold storms on the 5th to 6th. Cooler air and fresh ozone will bring a "breathing

spell" until about the 10th, when it will begin to grow very warm, culminating in excessively high temperature and storms about the 11th, 12th and 13th. Note the 12th and 13th. Another "breathing spell" may intervene before the reactionary movements on and next to the 17th. From 23d to 26th is the next period of storm change. Among the hottest days of summer about this time. Mercury is on the 26th, and will add cloudiness and mugginess up to reactionary days, 29th and 30th. Possibly cooler about 29th, 26th, 27th.

During the epidemic of flux in this county last summer, I had hard work to keep a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. People often came ten or twelve miles in the night to get a bottle of the Remedy. I have been selling patent medicines for the last ten years and find that it has given better satisfaction in cases of diarrhea and flux than any other medicine I have ever handled.—J. H. Benham, Druggist, Golconda, Pope Co., Ill. Over five hundred bottles of this Remedy were sold in that county during the epidemic referred to. It was a perfect success and the only remedy that did cure the worst cases. Dozens of persons there will certify that it saved their lives. The Queen Pawned Her Jewels.

Queen Isabella, of Spain, pawned her jewels to raise money to fit out the expedition that discovered the new world. Her sacrifice is not greater than is made by many women of America, who deny themselves many things, in order to have money to buy Dr. Pierce's Golden Medical Discovery for their sick husbands or children. This "Discovery" is more important to them than the one that was pawned in 1492. For all diseases of the lungs, liver, throat or stomach, the "Discovery" is a sovereign remedy. A trial convinces its continued use cures. It purifies the blood, invigorates the liver and strengthens and builds up the whole system. Guaranteed to benefit or cure in every case, or money paid for it returned.

On July 3d and 4th the N. N. & M. V. Co., E. D. will sell round trip tickets between all stations at one fare for the round trip. Tickets good to return until or before July 6, 1891.

Syrup of Figs.

Produced from the laxative and nutritious juice of California figs combined with the medicinal virtues of plants known to be most beneficial to the human system, acts gently, on the kidneys, liver and bowels, effectually cleansing the system, dispelling colds and headaches, and curing habitual constipation. 43-1m.

Died From Lock-jaw.

Slight Blaze.

The engine room of Mr. J. M. Wakefield's saw-mill caught fire Thursday afternoon, but the flames were extinguished by the mill hands, and no alarm was turned in. Damage slight.

GEORGETOWN, KY., July 1, 1891.  
To the Editor of Frankfort Roundabout:  
DEAR SIR: We would like for you to insert the following in your paper as a correction of the article that appeared in last week's paper: Owing to a series of misfortunes that have befallen us since our removal to this place, we were compelled, in protection to our creditors and ourselves, to make an assignment on the 20th of June. On the 16th of February, 1891, J. P. Ways, senior member of the firm of J. P. Ways & Co., died. The protracted illness and death of said J. P. Ways was very expensive and left us very weak financially. Following this a very large frame residence that we had built for Mr. W. O. Paden, of the Stone & Hines Lumber Co., was thrown upon our hands because of the weakened condition of the Stone & Hines Lumber Co., who failed in a short while thereafter. After recovering from these blows, one W. H. Sutherland, June 1st, 1891, a contractor who was erecting two very large frame residences here, threw up his work and left, owing us a considerable bill. Not being able to make collections to replace the above loss at time needed we were threatened with suits. After due consideration we concluded the best thing we could do would be to assign. Our assets are about \$19,160. Liabilities about \$13,500 or \$14,000. This does not include our Frankfort property. Arrangements have been made for us to continue with our business as usual. Hoping you will make the statement in defense of ourselves, we remain.  
Respectfully,  
J. P. WAYS & Co.

IN MEMORIAM.

Of all the sad and heart-rending scenes that your correspondent ever witnessed was that of the death of Mr. Charles M. Jenkins which occurred at his home near Bridge st. Wednesday night June 17th, caused by the accident of a charge of a gun, too carelessly penetrating his abdomen and causing instant death.

The subject of this notice was born the 23d of March, 1854, making him of years, 3 months and 2 days old.

He made a profession of religion, under the preaching of Rev. W. C. Smith, about 12 years since, and united with South Boston Baptist Church, but in the year just ended into the organization of Evergreen Church, thus proving to the world that his life from the very beginning, was consecrated to God.

He was a very discreet man, he was fond of study, industry, very temperate, in fact, he possessed all the graces that go to make up the true man.

His devotion and ardent zeal in whatever he undertook, whether in religious or temporal affairs, was commendable and noteworthy, thus being always true to his conviction of duty.

No young man ever lived in the community who stood higher in the estimation of his neighbors than he did.

His untimely death has cast a gloom over many a household in this section, and many a heart is filled with mourning. Many men of his age and life have led the lonely career of him as friend, relative, husband, father and child.

The deceased was united in marriage to Mattie, eldest daughter of Samuel L. Root, on the 14th of April, 1879. A more happy couple never lived, up till the time of death, and the existence of the devoted husband.

By economy, frugality, industry and honesty he had just in the last moment on his farm a pleasant home, which was surrounded with many trees and comforts of life, but while ready to fire he was in the midst of death, and way led should see him in his paradise, to stand from the embrace of a loving and devoted wife one of the first vigor and beauty of youth.

His death, a more than we poor finite beings can sometimes comprehend, yet by the eye of faith we know that he doeth all things well and that the wisdom of God was exhibited will be revealed in the sweet hereafter.

A vacant chair is left around the once happy home in this section, and the loved one, God, and the community has been deprived of one upon whom the mantle of respect never rested. Charles was highly esteemed and loved. His faithful, tender care that he manifested toward his dependent wife, little child, and other sister, all of us more than to the many virtues that clustered around his person and home.

We would not chide you, dear loved ones, for weeping; Christ wept, and we frail beings, who are doomed to feel the loss of one, his life, hope, may, with bowed heads, crushed as human hearts, be comforted to say, "Lord, not yet, but I think he is done."

Appropriate funeral services were conducted at the residence of the deceased by Rev. H. C. Brown, on Sunday morning, June 19th, at 10 o'clock, resting place in the family graveyard at Bridgeport, by a large concourse of weeping relatives and friends. Those who have been bereaved would commend them to God who will give us grace sufficient to endure this great loss.

May the devoted mother of little Hattie train up the sun and adoration of the Lord, and the little tender plant that has been entrusted to her care and keeping, so that all will meet again in the secret of this vast world.

Then we part devoted wife, God wipes away all tears.

"O my dear Charles, I am glad to see you again. Though you may call it years."

Among the Colored Citizens.

The St. John A. M. E. rally was up to the expectation Sunday, that is in a financial way. After the rain the number at the Opera House was small. Rev. Credit preached in the afternoon and Rev. G. W. Hutton preached at the Church at night. The Church was well filled and a large collection was lifted.

Prof. Monroe was to deliver a lecture last night at the First Independent Baptist Church. At the time we go press a small crowd was gathering.

Miss Sophie Rickman left for home Monday to spend the vacation.

Monday, July 13th, John H. Thompson and Edward Lane left for Danville to attend the meeting of the Grand Lodge of Odd Fellows.

Mr. Alex Rays has gone to Lexington for a visit.

Mr. Junius Johnson, of Virginia, is in the city this week and will remain to-night.

Mrs. Dangerfield, of Louisville, was in the city this week.

Miss Pink Smith, Mrs. Stapleton and Mrs. Perkins, of Louisville, came up Sunday with Miss Katie Washburn to spend a week with Mrs. Mary Cook.

A social was given at the residence of Mrs. Miller on Wednesday night. A pleasant time was had. The Gates string band furnished some of their selections during the evening, which made it the more enjoyable.

Mr. Frazier, of Versailles, was in the city Saturday.

Rev. Credit, Prof. Monroe, Mrs. Greenup and Miss Walker were in Georgetown last week.

Camp Douglas, No. 3, K. of F., and Charity Lodge, U. B. F. went up to Georgetown last week.

The Clay & Tabbot Brass Band were out Saturday night in full dress uniform.

The commencement of the High School for girls, taught by Mrs. Matie Anderson, took place on Friday night the 26th ult., and quite a large audience was present. The programme was very interesting and all the children who took part in the same showed that their training had been thorough in every particular. These young ladies graduated and their addresses were delivered by J. H. Welch, Rev. Jas. M. Turner and Edward Lane. This is one of the oldest colored schools in the city, and the able manner in which it has been conducted has gained for Mrs. Anderson many high compliments.

The news reached this city that Mr. Armor Blackburn was very sick and it is thought can not recover. This will be sad news to his many friends. He has been a sufferer for some time.

Every member of the Industrial Legion Lodge is expected to be out at the meeting next Wednesday night, as business of importance will come before the order.

The Frankfort Base Ball Club will cross bats with the mountain boys Sunday and Monday at their grounds. Every one should see this game, as our boys are sure to beat them.

#### Sight is Priceless.

Mr. David Norton, of St. Paul, Minn., states that his son was entirely blind and had been kept in a dark room an entire year and treated by the best physicians of the city to no purpose, and all had given him up, saying he would never be any better, when they began using what has proven to be the finest remedy in the world for the cure of inflammation, namely—Dr. Hale's Household Ointment. It was applied directly to the boy's eyes, which soon began to improve, and to-day his sight is entirely restored, and he is enjoying perfect health, owing to the use of the most wonderful remedy in the world—Dr. Hale's Household Ointment. Sold by Phil Carpenter, South Side druggist.

Born—To Elijah Harrod and wife, a fine daughter.

We have a good teacher, if we can only hold him, which we are trying our best to do. Two of the trustees have promised the school to Mr. Brambell, but one of the trustees don't want him to have it, and they are talking of leaving it to the district. If they do Mr. John B. Ingels will get it.

Apples are beginning to ripen and we will soon have some nice cider.

Tobacco crops are improving.

Singing school will be opened here Saturday afternoon.

#### Not The Right Word.

"No," said Bertha sadly, "pain" doesn't express what I suffer at these times—it is simply "anguish!" I know I ought to consult a physician, but I dread it so I can't bring myself to do it. Then, too, "female diseases" always seemed too indelicate to me. I can't bear to have any one know or speak of mine."

"Yes, dear," answered Edith, "but don't you know, I have seen you without going to a physician? send to any druggist for a bottle of Dr. Pierce's Favorite Prescription, and take it, and I warrant you'll feel better in a few days."

The manufacturers warrant the medicine, too. They guarantee it to do exactly what it claims, viz: to cure leucorrhoea, painful irregularities, excessive flowing, prolapsus, inflammation or ulceration of the uterus, and the innumerable other "female weaknesses." It so strengthens and builds up the uterine system and nerves, that worn-out, run-down wives and mothers feel rejuvenated after taking it, and they are saved the painful embarrassment and expense of a surgical examination and a tedious, tiresome treatment.

#### OUR VERY BEST PEOPLE

Confirm our statement when we say that Dr. Acker's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs. In Whooping Cough and Croup, it is magic and relieves at once. We offer you a sample bottle free. Remember, this Remedy is sold on a positive guarantee.

J. W. GAYLE, Druggist.

#### Resolutions of Respect.

The following resolutions were adopted by the Bridgeport Farmer's Alliance:

WHEREAS, On the evening of June the 17th, 1891, Chas. M. Jenkins was accidentally killed by a load from a double-barrel shot gun that we have lost a faithful member is the

general feeling of all connected with the organization. Our loss is irreparable. Taken in his days of usefulness, when he was most needed in every calling in which he engaged; therefore

Resolved, That we miss him as a wise counselor in all the deliberations of the Alliance.

Resolved, That we recognize the hand of the Lord and bow submissively to His will. That, under a painful sense of our great loss, and the common loss of the community, we recognize that a faithful standard bearer in the Bridgeport F. & L. U. has fallen.

Resolved, That we hereby express to the deeply afflicted family our unfeigned sympathy and condolence; that a copy of these resolutions be spread upon the records of the Alliance, a copy sent to the Frankfort Roundabout for publication, and also a copy sent to the family of the deceased.

Done by order of Lodge No. 2,205, at a regular meeting held June 27th, 1891.
